# EMOJI MAKER

The screenshot shows the EMOJI MAKER interface. At the top, there is a navigation bar with icons for a menu, a face, a smile, a letter 'T', a person, and a paint palette. To the right of these icons are two buttons: a blue 'SAVE' button and a green 'SHARE' button. The main area is a dark grey grid with a white dotted pattern. On the left side of this grid, the text '1. Select a body shape for your Emoji' is displayed in white, with a large green arrow pointing to the right. On the right side of the grid, there is a panel titled 'EMOJI BODIES' with a page indicator '1 2 3' and a right-pointing arrow. This panel contains a grid of 16 different emoji body shapes: four rows of four items each. The first row has four colored circles (yellow, red, green, blue). The second row has four colored circles (magenta, orange, purple, black). The third row has a green fish, a yellow star, a red heart, and a brown poop emoji. The fourth row has a boy's face, a girl's face with pigtails, a yellow fuzzy ball, and a pink flower.
